Professional networking for passionate women.

About Dames Bond

Introducing modernly refined networking for women. Comprised exclusively of women, Dames Bond is the first networking community, specifically designed to actively market the business and expertise of our members and to provide an all-female business directory, free to consumers.

Dames Bond was recently recognized as Forbes' and ForbesWoman's Top 10 Sites for Women, nationwide!

Our mission:

We help foster personal and professional relationships by providing common ground, online and in person, where women can connect and share. Connections cascade into referrals. We believe that **when dames bond, dames thrive.**

Who are our members?

The biggest emerging market on earth. Women! 87% are women business owners. 10% are women in various management positions for another company. A small percentage are women in transition who want to engage and connect with professional women.

Age range: 27-66
