Fast Facts

Women make up 50% of the U.S. adult population and account for 46% of the workforce.

Columbus, Ohio made the *ForbesWoman's* first annual list of the top 20 cities for women in business! "In cities where diversity is the norm, we're seeing women stepping up more readily and far more readily embraced by the community." Leesa Mitchell, author of the Kauffman study, *Overcoming The Gender Gap: Women Entrepreneurs As Economic Drivers* (2011).
